EDUCATION

Pune Vidyarthi Griha's College of Engineering, Nashik BE in Information Technology CGPA: 9.45	2023 - 2026 (Ongoing) Nashik, Maharashtra
Karmaveer Kakasaheb Wagh Polytechnic, Nashik Diploma in Information Technology Percentage: 84.14	2020 - 2023 Nashik, Maharashtra
CDO MERI High School, Nashik Secondary Education Percentage: 83.20	2020 Nashik, Maharashtra

SKILLS & COMPETENCIES

- **Programming Languages:** Java | C | C++ | HTML | CSS | PHP
- **Database & Query Languages:** MySQL | SQL
- **Core Concepts:** DBMS | Object-Oriented Programming | Data Structures and Algorithms
- **Tools and Platforms:** Eclipse | Visual Studio | Android Studio | Jira

INTERNSHIP

- **QA Intern at ESDS Software Solutions Ltd., Nashik** Feb 2026 – Present
Working on end-to-end test automation using Playwright with TypeScript and BDD in collaboration with QA and development teams.
- **Virtual Intern at Infosys Springboard (Internship 6.0)** Feb 2026 – Present
Participating in a structured virtual internship program focused on industry-relevant technical skills and guided learning.
- **Software Development Intern at Talent Battle** Dec 2024 – Jan 2025
Completed a 4-week offline internship covering Basics of Aptitude, C, C++, and DSA based problem-solving.
 - **Project - Traffic Congestion Predictor**
A C++ application with reporting and basic visualization to forecast traffic congestion using time, location, and weather parameters.

PROJECT

- | | |
|-------------------------------|---------------------|
| Alumni Tracking System | Jun 2022 – May 2023 |
|-------------------------------|---------------------|
- Developed a centralized web-based system using **HTML, CSS, PHP, JavaScript, and MySQL** to manage real-time alumni records.
 - Bridged the gap between institutions and graduates by modernizing alumni tracking and engagement.

CERTIFICATES

- **Infosys Springboard** — Java for beginners, Basics of MySQL, Fundamentals of Data Network, Java Programming Fundamentals, Introduction to Artificial Intelligence
- **Udemy** — Intellectual Property Rights, Leadership: You Can Speak Like a Leader

ACHIEVEMENTS & EXTRA-CURRICULAR ACTIVITIES

- **AWS Academy** — AWS Academy Graduate - Cloud Architecting - Training Badge (Feb 2026)
- **NVIDIA** — Fundamentals of Deep Learning (Dec 2025)
- **AWS Academy** — AWS Academy Graduate - Cloud Foundations - Training Badge (Jul 2025)
- **Ethnus Codemithra** — 4-week Training in Data Structures and Algorithms (Jun 2025 – Jul 2025)
- **ISRO Certificate** — AI/ML models for specific crop acreage mapping (Apr 2025)
- **1st Place, National-level Paper Presentation Competition** — Presented an innovative Alumni Tracking System project (MT Engineering College, Tamil Nadu, Apr 2023)
- **Phoenix Computers** — 6-week Internship in C# Development (Jul 2022 – Aug 2022)
